The College Board About the College Board The College Board is a mission-driven not-for-profit organization that connects students to college success and opportunity.

2012â€“2013 - media.collegeboard.com

The specification is divided into biological topics, each containing different key concepts of biology. Once the key features of a biological topic have been developed, applications are considered.

AS/A Level GCE - ocr.org.uk

Sodium distribution in species Plants. In C4 plants, sodium is a micronutrient that aids in metabolism, specifically in regeneration of phosphoenolpyruvate (involved in the biosynthesis of various aromatic compounds, and in carbon fixation) and synthesis of chlorophyll. In others, it substitutes for potassium in several roles, such as maintaining turgor pressure and aiding in the opening and ...

Course materials, exam information, and professional development opportunities for AP teachers and coordinators.

AP Central â€“ Education Professionals â€“ The College Board

The cell (from Latin cella, meaning "small room") is the basic structural, functional, and biological unit of all known living organisms. A cell is the smallest unit of life. Cells are often called the "building blocks of life". The study of cells is called cell biology. Cells consist of cytoplasm enclosed within a membrane, which contains many biomolecules such as proteins and nucleic acids.

Cell (biology) - Wikipedia

MCAT Biology Rapid Learning Series 2016-17 Edition. This is a comprehensive college-level biology course (typically taught in two semesters), with focus on MCAT, on topic selection (mirror to the AAMC outline), problem-solving and test strategies.

Rapid Learning Center - MCAT Biology in 24 Hours

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.

How to Write Guide: Sections of the Paper - Bates College

When assigning a level you should look at the overall quality of the answer and not look to pick holes in small and specific parts of the answer where the student has not performed quite as well as the rest.

GCSE Biology Specimen mark scheme Paper 2

Shortcut to the brain. White blood cells are our key defenders against infection, however if oversupplied, they may turn against us. Neutrophils are made in the bone marrow where they arise from hematopoietic stem cells.

MGH Center for Systems Biology :: About :: Overview

Chair Dr. Alexandra Deufel. The Department of Biology offers three degrees (BA, BSE, and BS): The Bachelor of Arts (BA) in Biology is designed for those students who desire to go to professional schools of medicine, dentistry, optometry, chiropractic, physical, and occupational therapy, mortuary science, and veterinary medicine or who wish to pursue graduate work in biology.

Department of Biology < Minot State University

This note is designed to introduce students to the principals of cellular and molecular biology, genetics, and evolution. It is intended for biology majors intending to take more advanced courses later in their academic careers.
