State Board of Examiners of Environmental Professionals Roster of Licensed Environmental Professionals
This roster is effective through June 30, 2019

State Board of Examiners of Environmental Professionals

Engineering is the application of knowledge, typically in the form of science, mathematics, and empirical evidence, to the innovation, design, construction, operation and maintenance of structures, machines, materials, devices, systems, processes, and organizations. The discipline of engineering encompasses a broad range of more specialized fields of engineering, each with a more specific ...

Engineering - Wikipedia

Philosophies Adaptation: environment over culture. The sixties was a breakthrough decade for environmental anthropology, with functionalism and system theories prevalent throughout. The rudiments of the system theories can be seen in Marcel Mauss' Seasonal Variation of Eskimo, echoed later in Julian Steward's work. Although later, system theories were later harshly criticized for narrowly ...

Environmental anthropology - Wikipedia

The Division of Environmental Response and Revitalization oversees investigation and cleanup of hazardous substances and wastes that present a threat to human health and the environment, provides initial time-critical response to these threats, and oversees cleanup of unplanned releases of pollutants due to spills, accidents and other events. ...
