A law review (or law journal) is a scholarly journal focusing on legal issues. Law reviews are a type of legal periodical. In the US, law reviews are normally published by an organization of students at a law school or through a bar association. Outside North America, law reviews are usually edited by senior academics/faculty.

1. Adversity. In 2013, the United States reached an educational milestone. For the first time, a majority of the country's public school students - 51 percent of them, to be precise - fell below the federal government's threshold for being "low income," meaning they were eligible for a free or subsidized school lunch.
