Islamism is a concept whose meaning has been debated in both public and academic contexts. The term can refer to diverse forms of social and political activism advocating that public and political life should be guided by Islamic principles or more specifically to movements which call for full implementation of sharia. It is commonly used interchangeably with the terms political Islam or ...

As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:

TABLE OF CONTENTS . PREFACE. THE gracious reception given to my several reports of field studies among primitive racial groups and the many requests for copies of those brief reports and for further data, together with the need for providing interpretations and applications of the data, have induced me to consolidate my investigations. There have also been many requests from my patients and ...
