

mug shots a police pdf

A mug shot or mugshot (an informal term for police photograph or booking photograph) is a photographic portrait of a person from the waist up, typically taken after a person is arrested. The original purpose of the mug shot was to allow law enforcement to have a photographic record of an arrested individual to allow for identification purposes by victims, the public and investigators.

A detective is an investigator, usually a member of a law enforcement agency. They often collect information to solve crime by talking to witnesses and informants, collecting physical evidence, or searching records in databases. This leads them to arrest criminals and allow them to be convicted in court. A detective is also important because he helps the police officers by finding the evidences.
