Initially, the Jews of Palestine thought it best served their interests to cooperate with the British administration. The World Zionist Organization (founded 1897) was regarded as the de facto Jewish Agency stipulated in the mandate, although its president, Chaim Weizmann, remained in London, close to the British government; the Polish-born emigrant David Ben-Gurion became the leader of a ...

Nature, in the broadest sense, is the natural, physical, or material world or universe. "Nature" can refer to the phenomena of the physical world, and also to life in general. The study of nature is a large, if not the only, part of science. Although humans are part of nature, human activity is often understood as a separate category from other natural phenomena.

Harlan County is a county located in southeastern Kentucky. As of the 2010 census, the population was 29,278. Its county seat is Harlan. With regard to the sale of alcohol, it is classified as a moist county--a county in which alcohol sales are prohibited (a dry county), but containing a "wet" city, in this case Cumberland, where package alcohol sales are allowed.

'Netherlands' literally means 'lower countries', referring to its low land and flat geography, with only about 50% of its land exceeding 1 metre (3 ft 3 in) above sea level. Most of the areas below sea level are the result of land reclamation beginning in the 16th century, resulting in large areas known as polders that amount to nearly 17% of the country's territory.
