Public law is that part of law which governs relationships between individuals and the government, and those relationships between individuals which are of direct concern to society. Public law comprises constitutional law, administrative law, tax law and criminal law, as well as all procedural law. In public law, mandatory rules prevail. Laws concerning relationships between individuals belong ...

In English law, natural justice is technical terminology for the rule against bias (*nemo iudex in causa sua*) and the right to a fair hearing (*audi alteram partem*). While the term natural justice is often retained as a general concept, it has largely been replaced and extended by the general "duty to act fairly". The basis for the rule against bias is the need to maintain public confidence in ...
