door stood the tiger, and behind which waited the lady. Gold, and the power of a woman's will, had brought the secret to the princess. She also knew who the lady was. The lady was one of the loveliest in the kingdom. Now and then the princess had seen her looking at and talking to the young man. The princess hated the woman behind that silent door.

Nice Bar System, road barrier systems to control accesses - EN

A lady does not point out differences in others that might make them feel uncomfortable. For example, if someone walks differently, don't ask them about it until you know them well. Watch classic films to find inspiration for how to act like a lady. Consider taking a formal etiquette training class. A lady has a pleasant, authoritative voice.
