Although the United States only entered the war in 1917, the official history produced by the US government

provides a great deal of significant material. In 1918, the US Army organised a Historical Section at the Army War College to write a history of the American Expeditionary Forces in the war.

The Official History Programme is administered by a small Unit of the Cabinet Office. Potential topics for inclusion in the central programme have to be of national and interdepartmental importance, and are submitted by Government departments to an Official Cabinet Committee.

### **Official history - Articles - Making History**

History is the study of some subject in chronological order: tracing ideas back to their origin and studying the evolution of ideas or events. History is most commonly used to study government and politics, but history can also be used to illuminate other topics, such as science, technology, or law.

The Official History of the Canadian Army in the Second World War was a three volume set of books, based on the wartime work of the Historical Section of the General Staff. The Canadian Army had a dedicated set of officers in the Second World War who studied and recorded various facets of wartime history for posterity.
