On Target: Organizing And Executing The Strategic Air

The war in the Persian Gulf in 1991 capped an era of USAF modernization and enhanced readiness begun in the late 1970s and that continued through the 1980s. The USAF shouldered the bulk of the fighting for the first 39 of the conflict's 42 days. This volume covers the air offensive against strategic military and economic targets within the pre-August 1990 borders of Iraq.

Using Market Segmentation for Better Customer Service and

Organizations need to be clear about their target populations and know the demographics of their constituencies in comparison to the larger community. For example, a target population could be all of the people in an organization's local community, everyone in the state, or people living at or below the poverty level within a given community.

Defining Your Target Population | The Denver Foundation

As Seddon said, when targets are set in any part of the organization, they become the de facto purpose of the organization; meaning workers, managers, and executives are focused on meeting the target and not the customer. A lack of focus on the customer and forgetting why the customer chose to deal with your organization leads to waste, but ...
