

serious play pdf

Lego Serious Play is a facilitation methodology created by The Lego Group and since 2010 is available under an open source community-based model. Its goal is fostering creative thinking through team building metaphors of their organizational identities and experiences using Lego bricks. Participants work through imaginary scenarios using visual three-dimensional Lego constructions, hence the ...

Lego Serious Play - Wikipedia

Serious Play Conference is a leadership conference for both those who create serious games/simulations and those who implement game-based learning programs.
